DIARY NOTES

25X1A

ADD/A [REDACTED]

13 January 1953

1. Discussed administrative plans for projects with [REDACTED] It appears that the designees of our offices are not very well indoctrinated with our new concept and do not come to meetings with sufficient authority to sign off. Consequently, unnecessary delays result. This situation must be corrected and I plan to discuss the general subject again at the next Administrative Staff Meeting.

2. I reviewed with Jim Garrison his instructions to his team members departing for [REDACTED] tomorrow. They appear to be very good and very complete.

3. At Mr. Dulles' request instructed Ed Saunders to transmit \$75,000 to the [REDACTED] Station in addition to funds normally maintained there.
